ADDITIONAL STATEMENTS

TRIBUTE TO ETANA MORSE

• Mr. BOOZMAN. Mr. President, I rise today to recognize Etana Morse from West Fork, AR, for earning the Congressional Award Gold Medal.

Created by Congress in 1979, the Congressional Award recognizes initiative, service, and achievement in young people. Participants earn bronze, silver, and gold certificates and medals by setting specific goals in different program areas. Gold medal awardees must complete at least 400 hours of voluntary public service, 200 hours of personal development activities, 200 hours of physical fitness activities, and one 5-day/4-night expedition to a destination to experience a new environment or culture.

This program brings together some of our Nation's most dedicated and ambitious youth leaders, like Etana, who show a commitment to public service. An outstanding student at Haas Hall Academy, Etana excels both in and out of the classroom.

She serves as member of the Washington County 4-H Youth Development Club and vice president of the teen advisory board. Etana is also the founder of the Washington County Youth Advocates for a Drug-Free Tomorrow Club. She volunteers in her community with multiple organizations including the M&N Augustine Foundation, NWA Food Bank, and the Salvation Army. Along with her sister, she launched the "Taste to Serve" fundraiser campaign to raise money for a nonprofit organization for human development and is eager to continue her academic pursuits by studying statistics and data science when she starts college.

Etana has accomplished a lot to earn this award. I congratulate her for her determination, dedication, and service and applaud her growth as a leader. I am confident her exemplary work ethic and desire to make her community a better place will serve her well in her future endeavors.●

RECOGNIZING THE ADVOCACY OF PULP AND PAPERWORKERS' RESOURCE COUNCIL

• Mr. BOOZMAN. Mr. President, I rise today to recognize the Pulp and Paperworkers' Resource Council—PPRC—for more than three decades of advocacy for forest products.

The PPRC is a grassroots organization made up of hourly employees of the U.S. forest products industry. PPRC members work in mills and converting plants where they manufacture sustainable paper and wood products that are among the most used, necessary and recycled items Americans rely on every day.

The U.S. forest products industry is vitally important to our Nation's economy, employing approximately 950,000

people. The industry is among the top 10 manufacturing sector employers in 45 States, supporting family-wage jobs and manufacturing nearly \$300 billion in products annually. In my home State of Arkansas, we have more than 24,000 people directly employed in the industry.

Founded in 1991, the PPRC works to ensure that real-world perspectives are considered in all policy and regulatory decisions that impact their jobs and communities. As cochair of the Senate Paper and Packaging Caucus, I work to inform members of Congress about the value of the paper and packaging industry in their States and districts. This bipartisan, bicameral caucus highlights the importance and economic significance of the paper and packaging industry and focuses on the policy solutions needed to sustain and promote this important sector. I am honored to meet with PPRC representatives every year when they come to Washington to advocate for their priorities.

I am pleased to congratulate the PPRC today for more than 30 years of hard work on behalf of such an essential U.S. industry.●
